**Re: AT&T Emergency Petition for Settlements Stop Payment Order,  
IB Docket No. 03-38.**

Dear Ms. Dortch:

AT&T Corp. ("AT&T") provides the following information in response to an inquiry by the International Bureau concerning the status of AT&T's arrangements with Subic Telecom ("Subic"). Subic has informed AT&T that it no longer provides termination arrangements for international services and that its operations are now limited to local exchange services. Accordingly, AT&T is terminating its existing termination arrangement with Subic and is not seeking to negotiate any new termination arrangement with Subic or to send this carrier any international traffic. AT&T also is not experiencing any circuit disruption with Subic.

AT&T also requests the Commission to take prompt action to permit ISR-based agreements with all Philippines carriers. AT&T believes that commercial arrangements best serve the interests of U.S. consumers and carriers and urges the Commission to allow the rapid resumption of these arrangements on the U.S.-Philippines route.

Respectfully submitted,

A handwritten signature in dark ink, reading "James J. R. Talbot". The signature is written in a cursive, slightly stylized font. The first name "James" is written with a large, sweeping 'J'. The middle initial "J. R." is written in a smaller, more compact cursive. The last name "Talbot" is written with a large, sweeping 'T' and a long, horizontal stroke extending to the right.
